Andrei Moldovean

Extracted profile, compliance state, and refresh controls.

SENIORITY

mid-level

EXPERIENCE

5 years

CONFIDENCE

95%

Profile Summary

Detail-oriented communicator and systems thinker with a strong record of translating complex technical concepts into clear, user-facing language. Combines academic research experience in qualitative analysis and user feedback synthesis with hands-on product development, giving a dual perspective on user needs and product behavior. Proficient in English at C1 level with demonstrated ability to produce structured documentation, FAQs, and analytical reports.
